Le Collège français

Located in the heart of the beautiful city of Toronto, le Collège français has 280 students in Grades 7 to 12. Thanks to its central location, students have access to a wide range of resources for enriched learning, including libraries, museums, and cultural activities. The College's staff are proud of its academic tradition and promotion of excellence; they are dedicated to providing the students with the skills they need to succeed. Another outstanding feature of the College is its innovative use of technology.

Programs and Activities

- ✓ Ontario Secondary School Diploma and Bilingual Certification
